

Getting to Know a Scholar: 1/23 – 1/29/17

Background: Jonathan Costner is from Lincolnton, NC and attended West Lincoln High School where he graduated from in 2015. His major is Computer Science and his favorite subject would be either science or history. He enjoys watching films, listening to music, and prop making. He chose to pursue an education in Computer Science because of his love for technology. He chose ASU because of the beautiful campus setting.
