

Getting to Know a Scholar: 10/3-10/9/16

Claire Harris is from Lake Toxaway, NC where she attended Rosman High school and graduated in 2015. She is majoring in Geology and her favorite subject is science. She enjoys hiking, mountain biking, skiing, and sewing. She decided to pursue geology because the earth is the most incredible mystery and she wants to work with it for the rest of her life. She chose ASU because she was attracted to the size and atmosphere of ASU and she loves the outdoors and the area with hiking and skiing.
