

Getting to Know a Scholar: 8/22/16 – 8/28/16

Evangeline Luciano is from Kill Devil Hills, NC where she attended First Flight High School and graduated in 2014. Evangeline is a Computer Science major and her favorite subject is math. She enjoys skiing, badminton, kayaking, playing the cello and trumpet, drawing, and color guard. She decided to pursue Computer Science because she really enjoys coding and she likes to think logically and is a great problem solver. She chose ASU because of the mountains and the ASU campus.
