

Getting to Know a Scholar: 10/5-10/11/15

Background: Jordan Stack is from Kernersville, NC where he attended Ledford High School and graduated in 2013. He is majoring in Math and Computer Science, his favorite subject is math. He enjoys playing guitar, woodworking, snowboarding, and hanging out with friends. He decided to pursue his major because he took an AP computer science course in high school and it sparked his interest. He chose ASU because he likes the mountains and he loves the scenery.
