

**Getting to Know a Scholar: 9/28/16-10/4/16**

**Background:** Lindsey Titus is from Cortland, OH where she attended Lakeview High School and graduated in 2012. She is majoring in Computer Science and her favorite subject is Art. She enjoys climbing, hiking, and traveling. She decided to pursue Computer Science because she was really interested in video games and the creative aspect of programming. She chose ASU because of the location; she wanted to be in a place where she could spend a lot of her time outdoors.
