Workshop Application Form
Winter 2007 Distributed Computing Workshop

A Consortium to Promote Computational Science and High Performance Computing

Appalachian State University
January 19 evening and January 20-21, 2007

We appreciate your interest in our consortium to support high performance computing in North Carolina. We will provide financial support for travel, motel, meals, and $150 stipend to participating students and faculty mentors who attend with their students (faculty mentors do not have to attend unless they want to come to the workshop). Students will work on a research project and report their results at a workshop in April 2007. There will be a welcoming banquet on Friday, January 19, 7:45 PM at the Broyhill Inn for those who can arrive by that time.
